America Evangelical University
School Performance Fact Sheet

The information reported in the charts below has been compiled and is reported in accordance with the California Bureau for Private Postsecondary Education (BPPE). It addresses the completion rates, placement rates, licensure exam passage rates and salary/wage information as reflected in the chart below.

Introduction

The following fact sheets are filed with the Bureau for Private Postsecondary Education for 2014 Annual Report of America Evangelical University.

The Bureau for Postsecondary Education (BPPE), is the regulatory body for private postsecondary institutions for the State of California, and requires that each institution provide the following information to students, prior to enrollment, as evidence of recognition of the need to address consumer protection:

- Graduation / Completion rates for all programs offered
- Working / Placement rates for graduates of each program
- License-examination rates for any program to which that statistic is applicable
- Salary or wage information for each career, occupation, trade, job or job title as applicable, for which students are prepared.

Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, these fact sheets contain the information as calculated pursuant to state law.

Any questions a student may have regarding these fact sheets that have not been satisfactorily answered by America Evangelical University may be directed to the Bureau for Private Postsecondary Education at: BPPVE@dca.ca.gov.

Definitions

¹“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Students available for graduation” is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.

³“Graduates” is the number of students who completed the program within 100% of the program length.

⁴“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

⁵“150% Graduates” is the number of students who completed within 101-150% of the program length.

⁶“150% Completion Rate” is the number of students who completed the program in the reported

calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

⁷“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁸“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment must begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.

⁹“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

¹⁰Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

¹¹Exam Date is the date for the first available exam after the students completed the program.

¹²Passage Rate is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

¹³Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

¹⁴Salary is as reported by the student. Not all graduates report salary. A list of the employers of the Graduates Employed in the Field can be obtained from www.aeu.edu.
